DISCLAIMER

The information in this technical data sheet is in accordance with Oxeon's information and from reliable sources, and, as far as Oxeon knows, correct at the stated date of revision based upon the state-of-the-art at that point in time. Whereas Oxeon believes that it has taken care to assemble this information, the information is provided "as is" and Oxeon does not warrant the accuracy, completeness, or usefulness of the information.

The information is intended for the purpose of guidance for safe handling, use, storage, transport etc. of this material and shall not be considered to constitute a warranty or representation of any kind, legal or other, or a quality specification. The information is specific to the named material(s) and does not apply for this material used in combination with any other material or processed together with another material unless explicitly stated in this text. The methods of your handling, storage and use of this product (and whether such use is suitable for this product, or if the product is used correctly in accordance with Oxeon's instructions or recommendations or not) are not within Oxeon's control and therefore, Oxeon disclaims all legal liability in relation to you, including, but not limited to, indirect damages.

Oxeon's legal responsibilities as regards product liability in relation to consumers shall, however, not be affected by this disclaimer to the extent that such legislation is compulsory in the applicable jurisdiction.

Notwithstanding the foregoing, Oxeon reserves the right of recourse in relation to you for any such undertakings.

All sales are made subject to our standard terms and conditions of sales (available at www.oxeon.se) which include limitations on liability and other aspects. The fabric style listed here may not be available from inventory, and minimum order quantities may apply.
